

## FSC® Certificate awarded to UPFC

Uttar Pradesh Forest Corporation has been awarded the Forest Stewardship Council (FSC®) Forest Management (FM) certification for 'Well managed Forest' on 18<sup>th</sup> February, 2015. The FSC® FM certification is the Gold Standard for certifying forest management globally and we are proud to say that we are India's first FSC® certified Forest Corporation. This certification showcases our dedication towards being an environmentally and socially responsible organization. This certification also spells good news to our patrons as our products are now certified for competence in the premium market for responsibly sourced forest produce.
